*As Seen By Her!***Some of the Latest and Most Effective Reasons for Pleasure in Shopping**

A sure, swift means to an organdie frock is organdie flouncing.

For wear with the tailleur or the cloth frock—marabou.

Every petticoat has its flounce—which now comes by the yard.

Raffia enters upon a new career—as a bright trimming for hats.

Ready to wear is a sash of satin ending with a fringe.

To freshen one's frock add a saw-edge frill.

Fashion and comfort say socks for children. Gay tops are favorites.

For a collarless frock a necklace of ribbon and jade is a becoming complement.

For a beauty nap—a fluffy boudoir cap, a pretty negligee and satin mules.

A wrap with gracious folds is the summer's mode.

A new bag draws strength and beauty from a foundation of Chinese silk.

**We Are Getting More Shoe Business**

Because the assortment of styles shown here is more varied, more up to the minute and because they are better shoes at lower prices.

But we haven't all the business we can handle yet—although such values will inevitably bring us more than our share of the shoe trade of Memphis.

Compare our shoe values with the offerings of other stores—that is one very good test—but the best test of all is being fitted comfortably here—the test of real service, and we know you will be satisfied.
